A black and white photograph showing a close-up of a textured surface, likely a wall or ceiling. A prominent horizontal line runs across the middle of the frame. Above this line, there are several dark, irregular, and somewhat elongated marks or stains that appear to be peeling or flaking from the surface. The overall texture is grainy and uneven. Below the horizontal line, the surface appears smoother but still textured, with a few small dark spots. The bottom edge of the image is a solid black horizontal band.
